

AQUA 1.1 PT MAGGIBOX

Drennan 1.1pt Maggiboxes are now available in our striking aqua colour scheme.

Like all Drennan bait boxes, they are made from a robust polymer that can be frozen without splitting.

Maggiboxes also come complete with a standard vented lid to allow bait like maggots and worms to breathe.

The 1.1pt (620ml) Maggibox also complements the larger 2.2pt and 3.3pt Aqua Pellet Boxes, which feature solid Bait Seal lids.

RRP: **£1.75**

MEDIUM CARRYALL

The Medium Carryall is the latest addition to the comprehensive Drennan luggage family.

Like the rest of the range, it is made from tough, waterproof fabric with a padded shoulder strap and carry handles.

The main compartment has a 55-litre capacity with a 40cm height. The hard moulded base with Drennan logo measures 55cm x 25cm. Along with two handy zip-up side pockets it also has two full-length pockets for items such as keepnets, landing nets, riddles and trays.

RRP: **£49.95**
